Kappels' Con Is Tomorrow In Showalter

The nationally known Kappels, Pearl and Edwin, will appear at tomorrow morning's convocation at 10.

The soprano-tenor duo will present a program referred to as a "musical journey on the wings of song." The journey is to Paris via "Carmen," and "La Boheme," to Spain via "Carmen," through Europe to America with folk songs and selections from American musicals.

"From critics' acclaim, this con promises to be an outstanding vocal treat," convocation officials said yesterday.

Sloan Leads Senior Class

Doug Sloan was elected president of the senior class Tuesday night, a senior spokesman reported.

Other officers elected and installed to serve with Sloan are reported as Cleave Hedman, vice president; Jennie De Risio, secretary; Jo Ann Olson, treasurer, and JoAnn Holladay and Herm Cavinness, social chairmen.

The senior class sponsors a number of social functions highlighting their last year on the campus, she said.

Van Sickel Heads SA Club

Charle Van Sickel, junior from Pasco, has been elected Grand Master of Scarlet Arrow, Eastern's select men's honorary organization, for the school year of 1954-55. Van Sickel, elected at a meeting last week, succeeds John Andrist, Cashmere, who graduated in August.

Other officers elected were Jerry Wakefield, junior from Umapine, Ore., as vice-Grand Master and Myron Rasmussen, junior from Deer Park, as Scribe-Exchequer. All three are active in campus functions.

Wakefield is student body treasurer, mayor of Trailerville, and a member of Intercollegiate Knights. Rasmussen is a member of men's "W" club, active in Trailerville as

Committees Plan Homecoming Details

A meeting of all Homecoming committee chairmen will be held tonight at 8 in Showalter 105, according to co-chairmen Sandra Allen and Randall Smith.

"All organizations which are sponsoring some event for Homecoming must be represented at the meeting and any organization desiring to take part is invited to send a representative," Miss Allen said.

IK Members Pick Sweetie

The Intercollegiate Knights have chosen Dolores Lee Gibler as their sweet heart for the school year of '54-'55.

Dolores Lee Gibler, more commonly known as Bridgett, was nominated and selected as the IK Sweet heart last Wednesday night. The 22-year-old cutie is 5 feet 1 1/4 inches tall, weighs 108, has green eyes and light brown hair.

Music is her hobby and she is a music major, minors in applied music, and works in the music library. She plans to teach music upon graduation from Eastern.

Art Club to Meet

Art club president, Howard Duell, has announced a meeting of the art group October 21 at 7 p.m.

Council Approves SUB \$5 Assessment

Chiefs Beating Tom-Toms For Big Savage Pow Wow

The Homecoming ball will begin rolling Friday, November 12, at 11 a.m., when classes will be dismissed for the day. A pep rally will be held in Showalter auditorium immediately after the dismissal.

Students will have from the time the pep rally closes to the following morning to put the finishing touches on float and hall decorations.

Friday morning, in Showalter auditorium, the Homecoming queen will be crowned. A talent show, under the sponsorship of the Phi Mu Alpha honorary, will follow the coronation. The Homecoming committee has scheduled a bonfire pep

rally directly after the talent show, but they may have to reschedule it, due to fire regulation difficulties.

Judging of hall decorations will take place Saturday morning before the parade. The parade, which will be staged in downtown Cheney, will begin at 10 a.m. Both before and after the parade, registration for all alumni will be held in Showalter hall's social room. An all-alumni luncheon will be held in the New dormitory at 12 a.m.

Game Is Highlight

The highlight of the weekend, the football game between Eastern and Whitworth college, will take place at 2 p.m. in Woodward field.

After the game a coffee hour has been scheduled for Showalter hall, therefore all living quarters are asked not to schedule a coffee hour of their own. Before the evening's dinner an open house of all dormitories on the campus will be held.

The annual Homecoming dance will take place in Martin hall at 9 p.m. The dress will be semi-formal. Ralph Dickinson, popular Spokane band leader, will furnish music for the dance.

Chairmen Named

Committee chairmen who are already working diligently are: finance, Marlene Peters; beard growing contest, Alpha Phi Omega; parade, Alpha Phi Omega (Bill Tallyn); hall and dance decorations, Future Teachers of America (John Ryan); pep cons, Clarice Lavin; bonfire rally, Jessica Altizer; coffee hour, Ellen H. Richards and Donna Robertson.

Queen's coronation, Jo Ann Holladay; talent show, Edward Grier; queen's gift, Kitty Coursey; alumni registration, Tawanka; alumni luncheon, IK and Tawanka; dance patrons and patronesses, Leah Oates; faculty adviser, Karl Morrison; chairmen, Randall Smith and Sandra Allen. Other committees and committee chairmen will be announced later.

An amendment to the constitution for a new Student Union building has been accepted by the Associated Student Body, and is ready to be voted on by the student body.

The amendment reads: "Each regularly enrolled student shall be assessed the sum of \$5 each quarter in addition to the regular associated student fee for the express purpose of financing construction bonds for the Eastern Washington College of Education Student Union."

This fee will be payable at the time of registration, the quarter following the start of construction, and each subsequent quarter until determination of bonded indebtedness is dissolved.

The new student union will consist of a bookstore, sundries, cafeteria, banquet hall room, billiard room, ping pong room, faculty room, meeting room, and student body offices.

Construction will start as soon as the snow melts. The building will be in use by the fall quarter of '55.

To improve the parking situation around the campus, the ASB, through the help of Dr. Don S. Patterson and Marion Surbeck, director of the plant, have asked for \$3000. A committee is now working on the problem.

ASB Social Chairman Bill Shackleton has appropriated \$50 from the social budget to bring in outside entertainment, and for cash prizes at a talent show to be held this quarter.

Rag Tag Set By Freshmen

From riches to rags will be the movement for the freshman hobo dance scheduled for Friday, October 29.

Bon Hampton, freshman social chairman, announced yesterday that the freshmen officers have chosen October 29 for the date of their hobo dance. He also stated that a prize would be given to the best-dressed hobo.

The dance will be held in the Showalter social room, with the college dance band furnishing the bright notes for the gala affair.

EWC Queen Candidates To Be Picked

Questionnaires have been sent to the living groups to select Homecoming Queen candidates.

All candidates will be announced two weeks before the balloting. The balloting will be handled by the Scarlet Arrow and will take place in the rotunda of Showalter hall.

The election of the queen will be by students, who vote on Wednesday, November 10, and the queen will be announced on Friday, November 12, after the talent show.

Fall Comedy Cast Picked

"The Patsy," written by Barry Connors, a comedy in three acts, has been selected for the Homecoming play, November 13.

The comedy itself is a series of episodes involving Patsy, who is taking lessons on how to catch the man she loves, the instructor himself. Patsy is forced to remain in the background of her sister Grace who is trying to get into the social whirl.

After a series of romantic mix-ups, Patsy's greatest triumph comes when she becomes the bride of the man she loves.

Harold K. Stevens, EWCE drama coach, has cast Bill Shackleton and Roxana Royce in the starring roles of Mr. Harrington and Patsy. Supporting players in the cast are Mrs. Harrington, Roberta Waight; Grace Harrington, Janet Cyr; Billy Caldwell, David Ross; Tony Anderson, Charles Patterson; Sadie Buchanan, Jean Henry; Francis Patrick O'Flannerty, Harry Brewer, and "Trip" Busty, Al Lale.

Five Science Prof's Travel to CWCE

Five members of EWCE's science and mathematics department recently made an inspection tour of Central Washington College of Education's science building and facilities.

Department instructors making the trip were Francis J. Schadeegg, associate professor of geography and department head; Dr. Frank Nicol, associate professor of biology; Dr. Dana L. Harter, science division head; Dr. Craig McPhee, assistant professor of zoology, and George Stahl, assistant professor of physics.

BE MY DATE—Claudia Darrah asks a crazy, mixed-up sophomore, Dick Peterson, for a date to the soph Tolo Friday. The pair are decked out for the dance, tagged the Hula Luau, which, obviously, will be on a Hawaiian theme. Harvey Photo

Campus Scene — Can You Find Yourself?

KEWC, Student Project

★ ★ ★ ★ ★
DIALS ON 690 FOR EIGHT YEARS

One of EWCE's newest and foremost educational projects will go into its eighth year of operation when station KEWC begins broadcasting this fall.

The campus radio station had its beginning when it was founded by members of the radio workshop in April of 1950. The original studios of the station were in Showalter hall, but in 1952 a faculty house on the campus was donated to house the station facilities. The additional room gave the station two studios, a control room, a staff room and a manager's office.

Don Buckner was the first manager of the station and members of the radio workshop made up the staff. Don Gerimonte is the station manager this fall and, with faculty supervision of Miss Daphne Dodds, instructs groups in radio control-room operation and station management.

Station KEWC is the culmination of the work of all the radio classes now listed in the school curriculum and is supported by them. The course in radio techniques provides a supply of potential radio person-

nel and many of the skit scripts broadcast are written in the radio continuity classes. In turn, Jack Robinson, of the radio staff, helps out as technician in the drama classes.

An innovation in the station, a United Press teletype machine, will provide up-to-the-minute news broadcast.

Plans for the coming months call for a repeat of the March of Dimes radio marathon to get contributions during the fund drive and a field trip to the Western Conference of Radio and Television to be held in Los Angeles, Calif. The radio group has attended each of these conferences held since 1949.

Slides, Jobs Topics For EW Geographers

First meeting of Eastern's Geography club was held Thursday evening in Sutton hall. Slides of Lake Louise, Banff and Jasper parks in the Canadian Rockies were shown and explained by Norman Hall, junior from Spokane.

The club met in the apartment of Mr. and Mrs. James E. Brooks. Brooks is geography instructor at Eastern and director of Sutton hall. Field trip possibilities to the garnet operations on Emerald creek in Idaho and the Gardner caves in Z-Canyon and Ginko State park in Washington were discussed.

Future job opportunities for geology and geography graduates were explored by the group. Bert Baron and Chuck Booth reported the results of their recent trip to the University of Colorado, Denver, Colo., concerning graduate work in geography.

Attending the meeting were James E. and Lillian Brooks, Francis J. Schadeegg, Rae Jean Pierce, Britta Jo and Ken Hammond, Chuck and Mary Jane Booth, Nelly Foss, Bert Baron and Norman Hall.

Halstead Rites Read In Charleston Service

Tom Halstead, EWC junior, son of Mr. and Mrs. Preston Halstead of Charleston, West Va., and Miss Anna Illene Clendenin, daughter of Mr. and Mrs. G. W. Clendenin, Nelis, Boone county, West Va., were united in marriage September 14.

The rites were held at Breame Memorial Presbyterian church in Charleston.

Mrs. Halstead is taking nurse's training at a Charleston hospital and plans to join her husband here soon.

Outstanding Grad Married in Omak

Miss Julia Altizer, daughter of Mrs. Doris Altizer, Omak, and Eugene Hoon, son of J. C. Hoon, Yakima, were married August 22 at Omak.

The couple are graduates of EWCE and are now teaching at Connell. Both young people have been active in campus activities, Mrs. Hoon being selected outstanding senior woman of the year '53-'54.

Sherwoods Joined In Spokane Rites

Mr. and Mrs. Dan L. Sherwood, who were married in the Jefferson street Christian church, Spokane, are making their home in Cheney, where both are attending EWCE.

The bride is the daughter of Mr. and Mrs. Floyd S. Rowe, Spokane, and he is the son of Mr. and Mrs. Lester E. Sherwood of Richland.

Couple Plan Rites For December 18

William Calvert will take Miss Charlotte Curtiss as his bride December 18.

Miss Curtiss is the daughter of Mr. and Mrs. John Curtiss of Clarkston, and Calvert is the son of Mrs. Mary E. Snead of Cheney. The couple plan on continuing their studies at EWCE.

Marcene Chappel, Heidenreich, Pledged

Miss Marcene Chappel, daughter of Mr. and Mrs. R. Jenkins, Harrington, and Duane Heidenreich, son of Mr. and Mrs. Harvey Heidenreich, Malden, were married recently in Harrington. Heidenreich, a graduate of EWCE, is now teaching in Lacrosse.

Buffet Lunch Served By AWS Women

The second buffet lunch sponsored by AWS was held at Senior hall October 17. Sandwiches, ice cream and milk were served by Kitty Coursey and Gretchen Weed, co-chairmen for the buffet.

A chili-feed was the first AWS-sponsored buffet which Mary Ellen Benzel and Sandra Riemer with their AWS "little sisters" prepared and served. Bowls of chili, carrot and celery sticks, ice cream and milk were served to approximately 150 students.

November 14 is the date for the third buffet, according to Miss Coursey, social chairman.

Coeds Engagement Announced by Parent

Mrs. Alice Mader of Clarkston announced the engagement of her daughter, Shirley, to Clark Jones, Kellogg. Both are students at Eastern. Wedding plans are indefinite.

Fall Wedding Unites Peters and Robinson

Mr. and Mrs. John Byron Robinson, Jr., are now making their home in Cheney where both are students at Eastern.

Mrs. Robinson, the former Jeanne Elizabeth Peters, is the daughter of Mr. and Mrs. Russell S. Peters, Spokane. Their wedding was held early this fall.

Stumpf Weds Laut In Spokane Nuptials

Miss Diane Margaret Stumpf, daughter of Mr. and Mrs. Wesley Stumpf, Spokane, was married recently to William R. Laut, Batou Rouge, La.

The couple are former students of Eastern and are now residing in the Spokane Valley.

Club Pulls Taffy

The Ellen H. Richards Home Economics club had a taffy pull Thursday evening for prospective members. Tuesday evening a meeting was held in New dorm lounge. Twelve new girls were present.

Deans Reveal Scholarships

Three new scholarship openings have been announced by the dean's office. PTA awards are open to a freshman, sophomore, or junior college transfer girl or boy who is majoring in education, and is making satisfactory progress toward graduation.

The applicants must fill out the PTA form (available in the dean's office), write a personal letter of application, and obtain three letters of recommendation from members of their high school or college faculty.

The deadline for applications is November 5. Anyone interested should apply to the dean's office.

BAND TONIGHT

The United States Air Force Band from Washington, D. C., will be at the Post Theatre this evening.

This organization of 100 men is directed by Col. George S. Howard, USAF. The symphony orchestra readily becomes five dance bands in a matter of minutes.

A men's chorus, "The Singing Sergeants," will harmonize, assisted by two soloists.

Some student tickets may be purchased from Ben Halgrimson at the new music building for a matinee. This performance starts at 3:30 this afternoon.

CHENEY GOES BIG BAND

The college dance band is now being offered for credit. Although the band will be used for shows and possibly the concert band tour next spring, it is primarily interested in the dance idiom.

The group's inspiration is a book of Eddie Sauter, Stan Kenton, Les Brown, and Sam Donahue, the front man of the former Billy May Aggregation, and an excellent leader, "Pete" Exline.

This year the band has a better practice time, and it is starting to "swing." Listen to it November 12, the first engagement. The band will play specials and back up acts for the "homecoming talent show."

NOVEMBER 1st... LISTEN

KEWC goes on the air. With it come those popular shows of classic and modern music. One of the best will be a show of contemporary jazz from eleven to twelve in the evening. About the time your eyes are drooping, we will be near to help you forget trivial little things like studies with some of the best music that the "Music Box" of Spokane can offer.

Registrar's Head Count Ends at 990

Final registration figures at Eastern Washington college show a total enrollment of 990 students, an increase of 78 over last year.

C. W. Quinley, Jr., registrar, said 950 full-time students are registered at the school compared to 866 last year and 869 during the fall quarter of 1952.

Biggest jump in figures was in the freshman class where this fall's registration totals 456. Only 284 freshmen were registered in 1952 and 422 last year.

A breakdown by classes shows 130 seniors, 118 juniors, 221 sophomores, 27 graduates and 13 special students. In 1952 the totals were 158 seniors, 87 juniors, 82 sophomores, and in 1953, 144 seniors, 126 juniors and 152 sophomores were registered.

Dr. Don S. Patterson, president of EWCE, said the registration figure was close to the enrollment expected this year, and that 1100 students are expected to register in 1955.

Eastern's registration is expected to jump to 1348 in five years.

Membership Drive Is On

The annual membership campaign for the Washington Education association will be conducted during October, it was announced this week by Dr. Robert Reid, president of the local unit.

Dr. Reid stressed the importance of WEA to the college. He pointed out that WEA is the statewide professional organization for teachers, representing both public schools and higher institutions in Washington, and is affiliated with the National Education association.

"It is through WEA that the faculty at Eastern can maintain their active contact with the teaching profession," said Reid. "WEA has been of great service to Eastern in the past, and we urge the entire staff to maintain membership in it."

The assistance of WEA in sponsoring the development of public education and in keeping professional standards in Washington among the highest in the nation makes membership more than worthwhile, Reid concluded.

Board Hears Training Plan

A report on the approval of the EWC teacher education program by the state board of education was presented at the EWC board of trustees meeting this morning in Seattle.

The meeting was the opener for the meeting of the joint session of the boards of trustees of Eastern College of Education, Central College of Education and Western College of Education. A report of accounts of the campus residence halls was made by Dr. W. W. Force, head of the comptroller's office, at the meeting of the EWC board.

In a meeting this afternoon two questions will confront the joint boards as they convene with representatives of the legislative budget committee. The question of tuition at the three schools, which has been met by the trustees before, will face them again, as will a new proposal to consolidate the three boards of trustees into one board with a sub-executive in each school.

Discussion Group Picks Year's Topic

EWCE discussion squad has chosen "How Can We Protect Life on the Highways of the Inland Empire," as the year's topic.

Questionnaires and data on the topic are being sent in from many public officials in various cities and states. Miss Alice Moe, director of the college discussion squad, urges everyone interested in the group to join as there is still a need of members.

Leighton in Oregon For University Rites

Dr. Jack R. Leighton, Physical Education department head, left Sunday for Eugene, Ore., where he will represent President Don S. Patterson at the inauguration of O. Meredith Wilson, incoming president of the University of Oregon. The inauguration will be held on Monday and Tuesday. Dr. Leighton is scheduled to return today.

South Cheney Is ROTC Site

Eastern's ROTC unit will demonstrate the platoon in the attack tomorrow afternoon, about two miles south of Cheney.

Platoon in the attack will be demonstrated by the Military Science 2 students, for the observation of the MS 1 and other cadets. The platoon will attack a definite object, which will probably be a hill, and will use blank ammunition. Machine guns and rifles will be the weapons used during the field problem, which will last from 4 to 5 p.m.

The entire cadet unit will march to the area on foot. When the problem is completed, a full course meal will be served to the cadets under field conditions, and busses will transport the cadets back to the campus.

All faculty members and students are invited, but are to contact the ROTC office so necessary arrangements can be made.

Hossum, Delaney New to EW Faculty

Two new members of the faculty were omitted from a recently published list of EWCE faculty members.

They are Dr. H. Kenneth Hossum, assistant professor of economics and political science, new to the social studies division, and Carolyn Delaney, hired as a special instructor in art for the fall quarter. Miss Delaney is replacing Robert Hanrahan who is teaching at the University of Washington this quarter.

Junior Class Elects Van Sichel President

Charles Van Sichel was elected president of the junior class at the first meeting of the year. Other officers elected were vice president, Randall Smith; secretary, Jessie Altizer; treasurer, Roy Burns; ASB representative, Pete Weitz, and social chairman, Catherine Wahle.

There will be a meeting tonight at 6 in S102A. All juniors should attend, Van Sichel said.

Spanish Club Plans Meeting for Pledges

The Spanish club will hold its first meeting tomorrow evening, Wilma Tupper, club president, announced. It will be a general meeting so that new members to the club may get acquainted.

The other club officers are vice president, Don Boller, and secretary-treasurer, Pheryl Richardson.

OCTOBER 20, 1954

THE EASTERNER Page 3

Former Prof In England

Louis Trimble, former instructor at Eastern, is taking an extended tour through the European countries, according to word received here by Bob Biggs.

His wife, Jacquelin, accompanied him as they departed on their 28-day voyage from San Francisco to Antwerp. From there they traveled by train and boat to London.

London was their home for two weeks while he studied English literature and history on his own. They are living four blocks from the British museum and he spends a great deal of his time there. "This whole city is marvelous—really a course in English literature and history," Trimble wrote.

France, Denmark and Germany are some of the countries they

would still like to visit, although their plans are indefinite. They also hope to extend their itinerary into Ireland and Scotland.

Trimble was an instructor of English and foreign languages. He was also the adviser of the Spanish club. In 1953, Trimble was awarded a master's degree at Eastern.

Carlton Wins \$150 Panhellenic Award

Doris Rae Carlton is the winner of the \$150 panhellenic scholarship awarded by Eastern Star, Lydia Holm, dean of women, announced.

Miss Carlton is a sophomore at Eastern. She intends to be a teacher. She was a Rainbow girl for five years and was worthy adviser of her chapter in Omak, Wash. Her father is a member of the Masonic Lodge and her mother is affiliated with Eastern Star.

Right now we're thinking about November—it doesn't feel like November, but we're thinking about it.

Whitman Aerials Down Savages

ASSUME THE POSITION—New line coach Gene Badgley, right, gives pointers to three stalwarts of the Savage squad. Left to right, Eugene Siegel, tackle; Jack Collins, guard, and Dick Hollenbeck, center. The green Savage team has won one and lost three so far this season. They meet Pacific Lutheran college in Tacoma Saturday. EWCE Photo

Le Page Flips 3 Counters As Missionaries Win 21-7

BY JACK PIERCE

The passing magic of Whitman college's Gene LePage spelled doom to the Eastern Washington College Savages last Saturday night at Woodward field, as the Missionaries downed EWC 21-7.

LePage tossed three touchdown passes, a four yarder, and two screen passes, good for 18 and 31 yards, respectively, to personally account for all the Missionary scoring. Earle Walker, a little all-America mention last season, snared two of the LePage offerings and Gary Fowler picked off the other one.

Eastern looked like a determined team early in the first quarter as the Savages scored on a 50-yard march the first time they got hold of the ball. Eastern took over on the mid-field stripe, and with 6:66 played, fullback Keith Mortensen plunged over from the two to give Eastern their only TD of the game. Will Julum converted to make it 7-0 EWC.

Eastern went on to dominate the first period but the last three-quarters of the game were strictly all Whitman. LePage started on his

rampage at this point and ended up the night with eight out of 16 passes attempted completed, good for a total of 120 yards.

Whitman's tying touchdown was set up by a pass from the Missionaries' Earle Walker to Gary Fowler, good for 13 yards, and the stage was set for the first of LePage's flips. Fowler caught LePage's four-yard pass for the score and Roger Strawick booted the point to tie the count 7-7. Late in the same period, LePage his Walker for an 18-yard scoring play. Strawick again converted to make it 14-7 Whitman at the half.

A screen pass play from LePage to Walker in the third frame covered 31 yards and another touchdown for Whitman. Strawick made his third after-touchdown point and the scoring for the night was ended.

Keith Mortensen continued to be Eastern's leading ground gainer as the sophomore fullback picked up 60 yards in 14 carries for an average of 4.3.

The referees continued their lung exercise a Cheney as the men in stripes called Whitman down for 105 yards in penalties and Eastern for 41.

Willard Julum was EWC's most consistent lineman as the Renton senior made more than his shade of tackles and was an inspirational figure all night.

For the Savages, their season record now stands at one win and three losses.

SAVAGE ACES

RAY KOZIUK

Ray Koziuk, the Savages' starting left halfback, is beginning his third year in the Eastern backfield this fall.

The well known senior was born in Republic, Wash., and now resides in Chewelah. He is acting team captain for this season. Though Koziuk is only five feet nine inches and weighs 160 pounds, he has been outstanding on defense.

As a freshman at Arcata, Calif., he lettered in the Humboldt State backfield. Since then he has earned two varsity letters at Eastern.

Socialwise, Koziuk is vice president of Sutton hall, and a member of Epsilon Phi Tau. Industrial arts is his major.

Savages Begin Road Trip For 3 Games

Eastern's oft-defeated Savages, while nursing their Whitman inflicted wounds of defeat, are now preparing for their Saturday night's game with Pacific Lutheran of Tacoma.

The coastal tilt will be the Savages' first league encounter away from home, and will mark the advent of an entire month of road games for the Cheneymen.

Coach Chissus' drills this week are aimed at stopping the Lutes' powerful ground play, which helped them score 20 points against the strong Central Washington eleven, last weekend. The EWCE mentor also is working on his backfield, which has been having trouble getting on the go.

PLC and Eastern have met twelve times in the last 15 years. Eastern has a one-game lead in the series, winning six while the Lutes won five. One game ended in a deadlock. This year the Tacoma squad has not been beaten, and they will be out to keep their record clean. The game might prove to be Eastern's toughest.

The Redmen will not play in Woodward field for an entire month, until they meet the Whitworth Pirates, November 13. The Pirate tilt will be the highlight of Eastern's Homecoming.

POOL IS OPEN

Dr. Jack R. Leighton, Physical Education department head, announces that the college swimming pool will be open to students Thursdays from 3 to 5 p.m.

New Baseball Chief at EWC Beat Cleveland's Bob Feller

Eastern's new head baseball coach this year is Gene Badgley, who has switched his traveling gear here from Corvallis, Ore., where he has coached prep sports for the last four years.

Badgley replaces Bill Nye who resigned the position last spring.

Badgley is currently assisting Ed Chissus as line coach in football and will also assist "Red" Reese in basketball this coming winter.

Before his most recent job at Corvallis, Badgley coached at Philomath, Ore., for three years.

An interesting aspect of Badgley's former playing days at Pleasantville, Iowa, where he prepped, was a mound duel with the renowned Bob Feller, who was pitching for Van Meter high school.

Badgley bested the now Cleveland Indian 2-1.

Simpson college at Indianola, Iowa, was the scene of Badgley's collegiate playing days. He participated in all three major sports. In 1940 he was a member of the college basketball team that competed in the NAIA tournament in Kansas City.

While serving in the army in World War II, Badgley received the purple heart for a severe leg wound he suffered in Europe. He eventually achieved the rank of Captain before being discharged.

While stationed in Colorado Springs, at Camp Carson, in 1943, Badgley coached the regimental basketball team that won the post championship.

The new Savage coach resumed his college career after finishing his stint in the service and enrolled at the University of Colorado where he graduated in 1947 with a BS degree in PE.

Olympic Game Needs Funds from Friends

The United States Olympic officials estimated that the 1956 Olympics will cost in excess of \$1,000,000, for our participation in Australia and Italy and the 1955 Pan American games in Mexico.

Most of these funds are raised by contributions. The Olympics game committee has started a fund drive to attract public attention all over the country to this cause.

Jayvees Drop Close One To Hanford Guards, 19-14

BY LEO CHANDLER
Camp Hanford handed the Eastern Washington College of Education junior varsity a luck-begotten 19-14 defeat, Saturday at Othello, Wash.

The aged soldiers, sorely outplayed throughout the game, picked up a blocked punt late in the fourth

A SAVAGE OUTLOOK

By JACK PIERCE
Season Outlook Bleak
With five games remaining on its schedule, Eastern's Savages look like they are indeed in for a bleak season, won-and-lost-wise.

Three very tough encounters are staring the Savages in their poker faces, nearly on successive weekends. This Saturday the somewhat warpaint-smeared tribe treks to Tacoma to oppose Pacific Lutheran, which knocked off the highly pre-season rated Central Wildcats last weekend 20-7. Then the renegades invade Ellensburg to face the Wildcats. On November 6 EWC will go to Bellingham for a game with the Western Vikings before returning home to take on the scuttling Whitworth Pirates November 13.

A non-conference tussle with Lewis & Clark college at Portland winds up the list on November 20. Far be it from me to be a pessimist, but the season's record from this side of the slander machine looks like a two won, seven lost mark.

Injuries Hit Savages
Injuries of a more serious nature are finally catching up with the Savages. One man is definitely out for the season, that person being freshman end Bob Meeker who was scheduled to undergo a corrective knee operation early this week. Jack Collins, regular left guard, suffered a gash over his eye in the Whitman game that required several stitches. In the jay-vee game with Camp Hanford at Othello, tackle Woody Woodard picked up a dandy little shoulder separation that may shelve him for the season.

On the not-too-serious side, half-back George Foster and end Phil Roth are still nursing sore leg muscles, but expect to see duty unless complications set in.

Philosophy!!
There are two ways to lose a football game. One way is to look terrible while doing so, the other way is to put up a good battle and "look sharp" in defeat. For instance, WSC "looked sharp" while losing to California 17-7; on the other hand, Illinois didn't look so sharp in its losing 6-19 effort against Minnesota. Follow me, dad? Anyway, Eastern looked alive against Whitman but simply didn't have the experience to cope with LePage, Walker and Co. The desire certainly seemed to be there, though, so the boys need no sympathy . . .

Player of Week
Every game EWC plays seems to further prove why tackle Will Julum was awarded the inspirational award at the end of last season by his teammates. Julum never seems to let up, even on a couple of occasions when letting up wouldn't seem to matter much anyway. So to him goes the dubious honor of being named this column's "Player of the week."

quarter and scored the game-winning TD.

The game's scoring began early in the first quarter, when Tom Martin, JV quarterback, took a Hanford fumble and scampered 30 yards into the end zone. Ralph Ory's conversion was good. Also in the first quarter, a fleet-footed army end nabbed his quarterback's aerial at mid-field and outran the Eastern secondary to the goal and six points. The try for point failed and Eastern still led, 7 to 6.

No scoring took place in the second period, although the atomic bomb plant guardsmen did threaten, going to the Redmen's 20-yard line. The half ended with Eastern enjoying a slim one-point lead.

As the second half began, Eastern's one-point lead looked bigger and bigger, when the soldiers began to show their poor conditioning. Not until late in the second quarter did the score change. It did so when the armymen marched nearly half the distance of the gridiron for their thirteenth point. The try for point was good, making the score 13 to 7.

In the middle of the fourth, Eastern's powerhouse, Dick Houston, climaxed a goal line march by plunging into the end zone from three yards out. Ralf Ory's all-important try for point was good, putting the Savages again in the lead, 14 to 13.

At the four-minute warning, Eastern still had a one-point lead and possession of the ball, but they were forced into punt formation. At the snap of the ball an Army lineman slipped through the line, blocked the punt, picked it up and ran 37 yards for the game-winning six points. The try for point failed. After the kick-off the junior Redmen threatened, but lost the ball on the army 20-yard line. The soldiers then ran the clock out with consecutive quarterback sneaks, daring not to jeopardize their 19 to 14 lead.

Whirlpool Machine In Use by PE Dept.

The athletic department acquired a whirlpool device this fall which will be used for injuries that occur in all sports.

The whirlpool is a tub-like device with an electric motor that spins and puts the water in a whirling motion. This gives a vibratory and massaging effect on sore muscles, torn ligaments, sprains and bruises.

It can help in every sport. In basketball it will aid sore muscles and shin splints, and in baseball it will be very effective for ailing arms which occur quite frequently.

The whirlpool has already been used to good advantage this football season.

Trailerville, Monroe Play

Intramural football gets under way tomorrow afternoon at the fieldhouse with Trailerville meeting Monroe hall in the opening game.

Four games a week are slated with the champ having a possibility of meeting a Gonzaga intramural squad in a post-season tilt. Two practice games were played last week with Trailerville and Munk's Men battling to a 6-6 deadlock and Sutton hall's squad edging the Munks, 7-6, in a tight game. Sutton hall is the early season favorite.

The league will be playing flag-ball this fall instead of the usual touch football and five teams have been entered. They include Monroe hall, captained by Bob Oliver; iJm Stratton's Trailerville squad; the Sutton hall eleven, with Oris Olson as captain; Walt Munk's team, known as Munk's Men and a Hudson hall representative with Bob Morrison as captain.

PE Course Offered On Extension at LC

Ramond Giles, assistant director of extension at Eastern, has announced that a new extension course in physical education will begin today in Spokane.

The course, methods in grades one through three, will be taught by Dr. George Werner, physical education director of Spokane public schools. The classes will be held at the Lewis & Clark extension center.

Vets Slate Elections

The election of a new secretary will take place at the party to be held tomorrow night in Spokane by the Veterans' club.

Ivy Sorrell, the secretary originally elected by the club, did not enter school this fall due to illness.

The group will meet at Hudson hall at 6:15 for transportation to the Bohemian Breweries in Spokane where the party will be held.

Want Ad Column Begins Next Week

Lose something? Want to sell something?? Need a ride??? If so, a new service to the readers of The Easterner is just the thing for you.

Starting with the next issue of The Easterner, a classified section will grace the pages of this weekly. If you have any kind of a notice you would like to give to the 1400 readers of The Easterner, here is your chance.

For a nominal fee, we will put your specific need in print.

Rates for the classified ads will be 3 cents per word with a minimum charge of 30 cents. Contact The Easterner office to place your ads.

Monroe Chiefs Named

Election results were added up Saturday and the new school year Monroe hall officers are: president, Clark Jones; vice president, Walt Monk; secretary, Vern Olson; treasurer, Ed Grier, and ASB representative, Mickey Burdge.

Homecoming, Nov. 13**"Fishnet" Set
For Showing**

"Fishnet," or "The Story of Our Police Farce in Action," will be presented next Tuesday evening as a preview of the EWCE annual Round Robin, slated for December 3.

"Fishnet," an hour-long play in one act, was created by Bill Shackelton and Joe Dickenson two years ago. Dickenson graduated last year and Shackelton, well known for his dramatics efforts at Eastern, decided the script has cooled sufficiently for release.

Stellar Cast

The play centers around EWC and will also be directed by the versatile Mr. Shackelton and performed by "His all-star cast of 12." In commenting on the production, he said it's "good for one night only."

Ed Grier's college dance band will provide the music. Shackelton suggested that any similarity noted between "Fishnet" and the television show "Dragnet" is purely coincidental. The play will begin at 7 p.m., in Showalter auditorium Tuesday and student tickets will serve as admittance.

**Portland Is
Meet Scene**

The Northwest council of guidance personnel will meet in Portland October 21-23, and will be attended by Lydia Holm, dean of women; Abe Poffenroth, dean of men, Dr. L. E. Patmore, guidance clinic head, and C. W. Quinley Jr., registrar.

The theme of the discussion is the "Changing Campus." Such topics as orientation, student government and campus problems, will be dealt with.

Dean Holm will stay for the first day of the conference and then return to the campus. Dr. Patmore, Quinley and Poffenroth will remain in Portland.
